**What's New In?**

You can create multiple menus that organize your shortcuts. You can pin a personalized shortcut to the taskbar, then move the mouse cursor to the top edge of the screen to bring up the menu. It is also possible to log off, put the computer in standby mode, restart it, or shut it down. If you want to use this program in place of the standard Windows Start menu, you can try the Free Trial version. ★ 100% CLEAN Certification★ Download Soft85 mobile apps for free and install the VPN protocol.
